Contracts

www.speedtechequipment.com

Contract Value:

1. Gives customer fixed cost for annual maintenance budgets
2. Eliminates technician drive time, service call fees, quoting/approval process, and comeback repair issues
3. Controls customer maintenance costs
4. Add or subtract units at anytime without glitches in the maintenance program
5. Simplifies the administration headaches for both the customer and for Speed-Tech
6. Simplifies the invoicing process by attaching annual blanket purchase order for the entire service contract
7. The ultimate program in equipment maintenance

Included in the Service Contract:

1. Preventative Maintenance (PM) done twice a year
2. Provide same day service calls
3. All needed repairs are performed
4. All parts and labor are included in the service contract
